

Eco Congregation Small Grants
Sponsored by RPD Ltd and Logos Publications

Criteria

- Open to all parishes/congregations on the island of Ireland
- Parish/congregation should have already registered with Eco-Congregation Ireland and have received an Awareness Certificate (very straightforward)
- Short written proposal on a practical initiative to promote bio-diversity or energy conservation in their parish/congregation/community submitted to Eco-Congregation Ireland
- Have a budget detailing the costs of the project and exactly what the grant will be spent on
- Be willing to chart the impact of their project until April 2025
- Grants will not be made towards salary costs

Final decision will be made on successful applicants by the Eco-Congregation Ireland Committee

Closing date 31st July 2024
